

LightDecorHub Quick Use & Care Guide

HEQET Orange Mushroom Table Lamp

Product reference: Amazon ASIN B0BPNXX2MF

Before use

This lamp is listed as an indoor, corded table lamp with an orange glass shade, ceramic base and E27 LED bulb. The listed electrical specification is a 110 V American-style plug. Confirm the label on your actual lamp and make sure the supply is compatible before plugging it in.

Setup

- 1 Place the lamp on a stable, level, dry indoor surface.
- 2 Check the voltage and plug before connecting power; do not use an incompatible supply.
- 3 Use only the E27 bulb type and wattage allowed by the supplied instructions.
- 4 Control descriptions conflict between touch control and push-button switch. Do not assume the lamp is dimmable; follow the controls on the actual unit.

Care and safety

- Switch off and unplug the lamp before cleaning or changing the bulb.
- Wipe the shade and base gently with a soft, dry cloth. Avoid abrasive cleaners and impact to the glass.
- Keep the lamp away from water and damp areas. It is not waterproof and is intended for indoor use.
- Stop using the lamp if the cord, plug, glass shade or base is cracked or damaged.

Listed specifications

Dimensions: approximately 6.3 × 6.3 × 7.09 inches (16 × 16 × 18 cm). Light source: E27 LED bulb, one listed as included. Materials: glass shade and ceramic base. Power: corded electric; 110 V plug listed.

Important: Supplier/reseller pages contain inconsistent control and electrical details. The product label and instructions supplied with the physical lamp take priority over this summary.
